Attention: Contracting Officer

STAT Subject: Basic Agreement No. [redacted]
Task Order No. 02(100,677)65R
Section A Article 36 Shipping Instructions
Section A Article 38 Notice of Shipments

Gentlemen:

STAT The inspection and demonstration of Prototype No. 1 built under subject Task Order has been scheduled for Thursday the 6th of January 1966.

STAT [redacted] is planning on making shipment of the equipment shortly thereafter by [redacted] Van.

We understand as a result of conversations with the Technical Representative, mentioned to you in an earlier telecon, that the equipment is to be shipped to a different destination than the one specified in the Task Order. Therefore, inasmuch as it may be your desire to change the present shipping consignee and address specified in the Task Order, will you kindly furnish subject change in writing so as to comply with our interpretation of Article 36 to Section A in the Basic Agreement.

STAT In reference to Article 38 indicated above, will you please advise whether "Notice of Shipment", when made, should be furnished to other persons or installations as mentioned in the Article. ST

Should you have any questions, please contact the undersigned [redacted]

Very truly yours,

MEMORANDUM FOR: Director, National Photographic Interpretation Center

SUBJECT: Research and Development Project Approval Request for
Overrun and Change in Scope for the Modulated Light
Direct Film ViewersREFERENCE: Chief, Administrative Staff, C/NDI, Memorandum dated
4 February 1964: Approval of Research and Development
Activities

1. In accordance with permission of the Executive Director, NPIC, the attached R&D Catalog Form is forwarded for approval prior to referral to the TIB, since the overrun and change in scope cost less than twenty per cent of the original contract price. Concurrence for this action has been obtained from PAG and IAD through telephone conversations between [] P&DS and [] PAG and [] IAD, on 22 November 1965.

2. In accordance with the authority delegated in paragraph 3. of the reference, it is requested that the overrun and change in scope for the Modulated Light Direct Film Viewers be approved. The estimated cost of this overrun and change in scope is [] to be charged against FY-65 funds.
